STATUS OF THE FLEET

RUSSIAN AND BRITISH GOVERNMENTS SETTLE THAT OF THE VOLUNTEERS.

St. Petersburg, July 25.—The Associated Press is able to state on the highest authority that the Russian and British governments have agreed on a mutually satisfactory basis for a settlement of the question of the status of Russian volunteer fleet steamers in the Red sea and the seizure by them of British ships. A few minor points still remain unsettled, but these probably will be cleared up today and it is not expected that further complications will arise.

The negotiations throughout the crisis were conducted in a most friendly spirit on both sides and the story that there was a stormy scene at the foreign office July 20, when Sir Charles Hardinge presented the British protest, has not the slightest foundation.

Grand Duke Alexis presided at Saturday's council which Count Lamsdorff, the foreign secretary, and Vice Admiral Avellan, chief of the admiralty department, and other high naval officers attended.

The result of the conference removes all doubts concerning the res-

ent attitude of Russia with regard to the volunteer fleet. The validity of the view expressed in the British note regarding the irregularity of the position of the vessels was so far admitted that the council agreed to waive the right of search.

After a long discussion it was decided that the present status of the volunteer fleet was not sufficiently well defined according to international law to render further searches and seizures advisable and that therefore Russia, in the interests of friendly relations with the powers, should withdraw the authority given the volunteer fleet in this respect.

St. Petersburg, July 25.—Orders have been sent to the volunteer fleet steamers St. Petersburg and Smolensk to refrain from interference with foreign shipping.

It is expected these steamers will eventually join the Baltic fleet and be replaced by ordinary warships.

SOLUTION IS SATISFACTORY.

British Press Pleased at Action Taken by Russia.

London, July 25.—The statement that Russia has decided to waive her claim to search the Malacca and to forbid similar seizures in the future is accepted by the morning papers as a fairly satisfactory solution of the situation brought about by the seizure of that vessel. The fact that German vessels have also been seized is held to acquit Russia of any design to embroil Great Britain with other powers.

AMERICAN STEAMER SUNK BY RUSSIANS

THE KNIGHT COMMANDER IS DESTROYED BY THE VLADIVOSTOK SQUADRON.

CREW REACHES YOKOHAMA

TRANSFERRED TO THE STEAMER TSINAN AND SENT TO THE JAPANESE PORT.

GERMAN AND BRITISH SHIPS BECOME PRIZES OF THE RAIDING RUSSIAN FLEET.

Yokohama, July 25.—The Vladivostok squadron Sunday sank the American steamer Knight Commander, from New York, off the Province of Izu, after transferring the crew of the Knight Commander to the steamer Tsinan, which arrived here Monday morning.

The Vladivostok squadron also captured a German vessel believed to be the Arabia, with 30,000 tons of flour, and an unknown British steamer. The two vessels were sent to Vladivostok in charge of prize crews. The American Trading company are the agents here for the Knight Commander.

New York, July 25.—The Knight Commander, according to the Maritime Register, is a British owned steamer of 2,716 tons burden, commanded by Captain Durant. She sailed from New York May 6 for Singapore.

MERCHANTMAN SUNK.

Unknown Vessel Destroyed by Russian Warships.

Tokio, July 25.—The Russian Vladivostok squadron has sunk the merchantman which it captured off the coast of Izu province Sunday. The name of this ship and her nationality is not known and nothing has been learned of the fate of her crew. Witnesses ashore saw the merchantman following the fleet. Then they saw her fired upon, after which she disappeared.

The Russian warships were last reported at 11 o'clock Sunday morning to the southwest of Cape Iro, Izu province, steering to the west.

Cape Iro is about sixty-five miles southwest of Yokohama and about fifty miles from the entrance to the bay upon which Yokohama and Tokio are located.

London, July 25.—The vessel sunk by the Vladivostok squadron is supposed to be the Higo, belonging to the Nippon line.

BIG BATTLE FOUGHT

ENGAGEMENT AT NEWCHWANG RESULTS IN EVACUATION OF THAT CITY.

Newchwang, July 25.—A battle was fought Saturday near Tatchekiao, attended, it is believed, with heavy losses. The progress of the battle was watched by many people in Newchwang from the roofs of houses. The day was clear and the smoke of the guns could be plainly seen.

Tientsin, July 25.—In accordance with orders issued by General Kuropatkin the Russians commenced to evacuate Newchwang Sunday. Monday morning the Russian railway station is in flames. The Russians are evidently destroying their property previous to evacuation.

News reached here that a battle is raging outside of Newchwang. The fighting can be seen from the house-tops.

In the engagement of Saturday the Russian losses are reported to have been 700. The Japanese are slowly nearing Newchwang. Great excitement prevailed in that city during Sunday's and Saturday's fights.

A report from Newchwang states that Saturday's battle was at Tashuitong, six miles distant, and that the Japanese were successful.

Many Chinese refugees arriving at Newchwang have reported that nine Japanese gunboats from Port Arthur have arrived at Tahtingchang.

RELEASE OF THE MALACCA.

Now Stated That It Will Occur at Algiers.

St. Petersburg, July 25.—It is now stated that the liberation of the Peninsular and Oriental steamship Malacca will occur at Algiers. The Malacca will be received by the Russian and British consuls at Algiers and will be formally liberated on a declaration by the latter that the ammunition on board the vessel belongs to the Brit-

ish government and is destined for Hongkong.

GERMAN STEAMER FIRED UPON.

Stopped and Searched and Then Shot at by Japanese Vessels.

Chefoo, July 25.—The German steamer Chefoo, from Newchwang, reports that at 2 a. m. when she was fifty miles from this port, she was stopped by four Japanese torpedo boats and searched. After being released she was fired on by rapid fire guns.

JAPS BOMBARD HAWANSHIN.

Active Operations in Progress at the Seat of War.

London, July 25.—Specials to the London morning newspapers confirm the news of active operations at the seat of war.

The Daily Telegraph's Chefoo correspondent, under date of July 23 says: "A junk from Dalny reports that last night a Japanese fleet of twenty warships and twenty torpedo boats bombarded Hawanshin for three hours and the forts replied."

The same correspondent learns that the Japanese First army is being largely reinforced by veterans from the reserves.

The correspondent of the Daily Chronicle, in a dispatch dated at Motien pass, July 23, regards General Kuropatkin as outmaneuvered and anxious to abandon Liaoyang without fighting, but also reluctant to retire while Port Arthur remains uncapitulated.

The Daily Chronicle's Yinkow correspondent reports that there was heavy fighting Saturday and Sunday in the neighborhood of Tatchekiao with General Stakelberg's force, consisting of twenty battalions of infantry, a brigade of artillery and a division of Cossacks, and that the Russians appeared to be drawing the cordon tighter around the Japanese positions.

JAP SAVES A RUSSIAN.

Plunges Into a River and Rescues Drowning Man.

New York, July 25.—Thomas Wensakye, a Japanese, for some years steward in the United States navy, and for the past year on the training ship Portsmouth at Hoboken, saved a Russian from drowning Friday. He saw a man struggling in the water and plunged into the river and rescued him. When the man had been resuscitated he said he was Joseph Laskowski, a Russian. He had fallen from a pier and as he could not swim, would have been drowned had it not been for the action of the Japanese sailor.

THE CONGRESSIONAL SITUATION.

Congressman C. B. Buckman has filed notice that he will again be a candidate for the republican nomination for congressman from this district, and while there are vague rumors of several other candidates the contest, as two years ago, will undoubtedly resolve itself into a fight for the nomination between him and Col. A. F. Foster of Litchfield. The former was nominated at that time after a most exciting contest, the race being so close that it was thought Col. Foster would contest the nomination. He withdrew, however, leaving Congressman Buckman the nominee of the party. Congressman Buckman has made a very creditable record for a man serving his first term in congress, and his political opponents frankly admit that he has been very prompt in looking after the needs of his district and of his constituents. The St. Cloud Journal Press, which has been very chary in its praise of Congressman Buckman, gives him full credit for what he has accomplished in his first term, and notes that the congressman has been especially active in supplying the farmers with rural free delivery routes, and that whatever opposition there may be to returning him to congress it does not arise from any failure of his in the discharge of official duties. The assertion of the Journal Press that there will probably be but

two candidates would indicate that St. Cloud will make no effort this fall to unseat the present incumbent. Congressman Buckman has displayed great zeal in the cause of the old soldier and has been most successful in the presentation of his claims, and this has added not a little to his popularity. His appointment of M. N. Koll to the receivership at Cass Lake strengthens his candidacy in Douglas county. The position is one of the most important at his disposal and the selection of an Alexandrian is appreciated by many. There is very little doubt but that the contest will be between Buckman and Foster, and the former is stronger in this section of the district than he was two years ago.—Alexandria Post-News.

BURGLARS GET

QUITE A STAKE

Home of Mrs. Cosky in Southeast Brainerd Was Touched Up Saturday Night

GOT ABOUT HUNDRED DOLLARS

Burglary Was Committed While Occupants of the House Were Sound Asleep.

Burglars got busy on Saturday night with the result that the home of Mrs. Cosky, 1608 Oak street, southeast, was ransacked and something like \$100 in money was secured without the slightest trouble.

The intruders are thought to have entered the house with a pass key. They went to Mrs. Cosky's room upstairs and managed to locate the spare change she had, \$25, in a closet.

Al Cosky and a brother were sleeping in a room down stairs and the burglar or burglars went down into this room and got \$62 which was in young Cosky's pocket.

The theft was committed between 12 o'clock at night and 6 o'clock in the morning. Mrs. Cosky got up at this time and found both the front and back doors unlocked and open.

Not a soul in the house was awakened so the burglars must have worked very cautiously.

Considerable merriment was caused at the depot this noon when a young fawn which was in transit leaped from the fragile crating in which it was enclosed and started to run. The express company employees took after it and the crowd joined in the chase. The poor little velvet coated creature turned toward the old Arlington hotel site and as it bounded on the cement walk it slipped and fell and in a minute there were plenty of hands ready to grab it, and it was crated up again and loaded on the cars.

THE CONGRESSIONAL SITUATION.

Congressman C. B. Buckman has filed notice that he will again be a candidate for the republican nomination for congressman from this district, and while there are vague rumors of several other candidates the contest, as two years ago, will undoubtedly resolve itself into a fight for the nomination between him and Col. A. F. Foster of Litchfield. The former was nominated at that time after a most exciting contest, the race being so close that it was thought Col. Foster would contest the nomination. He withdrew, however, leaving Congressman Buckman the nominee of the party. Congressman Buckman has made a very creditable record for a man serving his first term in congress, and his political opponents frankly admit that he has been very prompt in looking after the needs of his district and of his constituents. The St. Cloud Journal Press, which has been very chary in its praise of Congressman Buckman, gives him full credit for what he has accomplished in his first term, and notes that the congressman has been especially active in supplying the farmers with rural free delivery routes, and that whatever opposition there may be to returning him to congress it does not arise from any failure of his in the discharge of official duties. The assertion of the Journal Press that there will probably be but

two candidates would indicate that St. Cloud will make no effort this fall to unseat the present incumbent. Congressman Buckman has displayed great zeal in the cause of the old soldier and has been most successful in the presentation of his claims, and this has added not a little to his popularity. His appointment of M. N. Koll to the receivership at Cass Lake strengthens his candidacy in Douglas county. The position is one of the most important at his disposal and the selection of an Alexandrian is appreciated by many. There is very little doubt but that the contest will be between Buckman and Foster, and the former is stronger in this section of the district than he was two years ago.—Alexandria Post-News.

BURGLARS GET

QUITE A STAKE

Home of Mrs. Cosky in Southeast Brainerd Was Touched Up Saturday Night

GOT ABOUT HUNDRED DOLLARS

Burglary Was Committed While Occupants of the House Were Sound Asleep.

Burglars got busy on Saturday night with the result that the home of Mrs. Cosky, 1608 Oak street, southeast, was ransacked and something like \$100 in money was secured without the slightest trouble.

The intruders are thought to have entered the house with a pass key. They went to Mrs. Cosky's room upstairs and managed to locate the spare change she had, \$25, in a closet.

Al Cosky and a brother were sleeping in a room down stairs and the burglar or burglars went down into this room and got \$62 which was in young Cosky's pocket.

The theft was committed between 12 o'clock at night and 6 o'clock in the morning. Mrs. Cosky got up at this time and found both the front and back doors unlocked and open.

Not a soul in the house was awakened so the burglars must have worked very cautiously.

WILL DECIDE ONE WAY OR ANOTHER

Will be a Meeting of the Members of Brainerd Fire Department Tomorrow Night

DECIDE ON RELIEF ASSOCIATION

Some of Members Object to Association as they will get Money Anyway they Say

There will be a general meeting of the Brainerd fire department in the rooms at the central hose house tomorrow night at which time the matter of organizing a relief association, which has been talked of for some time, will be taken up and definite action will be taken.

The project of organizing an association of this kind has been under consideration for a long time and there have been some staunch supporters but there have been not a few who oppose such an association. The association is intended to look after and protect injured and sick firemen and the moneys received from the state, the 2 per cent of the insurance carried, was intended for a fund for this purpose. The only argument that is advanced by those who are opposed to the project is the fact that the department is entitled to the money anyway and that there is no need of another organization outside of the department.

A committee was appointed several months ago on constitution and by-laws, but nothing was done since that time and the matter has remained in statu quo.

BRUNS, the optician, will be in Brainerd at the National Hotel tomorrow and Wednesday, don't fail to see him if your eyes are troubling you. Examination is free.

THE OUTLOOK IS ENCOURAGING

D. K. Laurie, Sunday School Missionary Reports on Work in His Territory

DIST. INCLUDES MANY COUNTIES

There are Twenty-Eight Church Organizations and Thirty-Five Sunday Schools.

D. K. Laurie, Sunday school missionary of Adam's presbytery of the synod of Minnesota, Presbyterian church, is enjoying a short vacation at home. His territory embraces seven counties, Kittson, Roseau, Marshall, Red Lake, Polk, Norman and Beltrami. He reports work as progressing very favorably in his district and that the outlook is very encouraging. There are now 28 church organizations and over 35 Sunday schools in Mr. Laurie's presbytery. Twenty-five of these church organizations own their own buildings. Thirteen pastors have charge of the various churches. Quite a few Princeton, Auburn and other university graduates are getting their first taste of the strenuous life of a frontier preacher by being placed in pastorates in this northern Minnesota territory. The working field for missionaries four home missionaries, two student missionaries and one Sabbath school missionary.

Mr. Laurie also gave THE DISPATCH other matters of interest. The Red Lake reservation sale of land threw open eleven townships at the north end of Red Lake county, the land averaging \$6 per acre at the sale. The Soo line has been grading its newly projected railway up to Thief River Falls. The high ground grading has been completed but the low places being wet have caused delay. Speaking about fast traveling he mentioned the stage line running from Stephen to Roseau. This stage makes the 75 mile trip by relays in 24 hours. Beyond this point is a corduroy road which offers quite an experience to any person who has never had the pleasure of bounding over one of these thoroughfares. A life on the bounding billows of the ocean is nothing compared with this road full of high and low places.

A Wild Drive Down Laurel Street.

A wave of excitement surged through Laurel street Sunday evening in the shape of four exhilarated young men, yelling like western desperadoes, drawing a buggy down that thoroughfare. In their wild zigzag tour down Laurel they dodged the cop near the National hotel, then missed the street entirely and took to the cement sidewalk, grazing the bare of niggerheads on one side and pile of escaping a tumble down the other side into the big cellar just excavated. With the most graceful abandon the driver, the horse, or whatever was responsible for the go-as-you-please run, flew past the telephone poles, found the street again, and then made for the north side. It was certainly a fine exhibition of fancy driving and was witnessed by the occupants of ice cream parlor, hotel etc., on the street, who poured out to locate the noise.

For a time it was thought that he was the man Smith who shot and killed a sheriff in Wisconsin, but this could hardly be possible. He is sort of an innocent creature. WILL DECIDE ONE WAY OR ANOTHER

Will be a Meeting of the Members of Brainerd Fire Department Tomorrow Night

DECIDE ON RELIEF ASSOCIATION

Some of Members Object to Association as they will get Money Anyway they Say

There will be a general meeting of the Brainerd fire department in the rooms at the central hose house tomorrow night at which time the matter of organizing a relief association, which has been talked of for some time, will be taken up and definite action will be taken.

The project of organizing an association of this kind has been under consideration for a long time and there have been some staunch supporters but there have been not a few who oppose such an association. The association is intended to look after and protect injured and sick firemen and the moneys received from the state, the 2 per cent of the insurance carried, was intended for a fund for this purpose. The only argument that is advanced by those who are opposed to the project is the fact that the department is entitled to the money anyway and that there is no need of another organization outside of the department.

A committee was appointed several months ago on constitution and by-laws, but nothing was done since that time and the matter has remained in statu quo.

BRUNS, the optician, will be in Brainerd at the National Hotel tomorrow and Wednesday, don't fail to see him if your eyes are troubling you. Examination is free.

BASE BALL NUBS

The second team of Brainerd did things to the Frogtown never sweats yesterday afternoon at the base ball park. The score was 20 to 3 in favor of the second team and they could have gotten still more if necessary.

The Frogtown Blue Jays played a very close game with the Crow Wing aggregation yesterday, the score resulting in a victory for the Crow Wing bunch, 5 to 4. The battery for Brainerd was Nelson and Peterson and for Crow Wing, Gardner and Paulson.

THE OUTLOOK IS ENCOURAGING

D. K. Laurie, Sunday School Missionary Reports on Work in His Territory

DIST. INCLUDES MANY COUNTIES

There are Twenty-Eight Church Organizations and Thirty-Five Sunday Schools.

D. K. Laurie, Sunday school missionary of Adam's presbytery of the synod of Minnesota, Presbyterian church, is enjoying a short vacation at home. His territory embraces seven counties, Kittson, Roseau, Marshall, Red Lake, Polk, Norman and Beltrami. He reports work as progressing very favorably in his district and that the outlook is very encouraging. There are now 28 church organizations and over 35 Sunday schools in Mr. Laurie's presbytery. Twenty-five of these church organizations own their own buildings. Thirteen pastors have charge of the various churches. Quite a few Princeton, Auburn and other university graduates are getting their first taste of the strenuous life of a frontier preacher by being placed in pastorates in this northern Minnesota territory. The working field force numbers four home missionaries, two student missionaries and one Sabbath school missionary.

Mr. Laurie also gave THE DISPATCH other matters of interest. The Red Lake reservation sale of land threw open eleven townships at the north end of Red Lake county, the land averaging \$6 per acre at the sale. The Soo line has been grading its newly projected railway up to Thief River Falls. The high ground grading has been completed but the low places being wet have caused delay. Speaking about fast traveling he mentioned the stage line running from Stephen to Roseau. This stage makes the 75 mile trip by relays in 24 hours. Beyond this point is a corduroy road which offers quite an experience to any person who has never had the pleasure of bounding over one of these thoroughfares. A life on the bounding billows of the ocean is nothing compared with this road full of high and low places.

A Wild Drive Down Laurel Street.

A wave of excitement surged through Laurel street Sunday evening in the shape of four exhilarated young men, yelling like western desperadoes, drawing a buggy down that thoroughfare. In their wild zigzag tour down Laurel they dodged the cop near the National hotel, then missed the street entirely and took to the cement sidewalk, grazing the pile of niggerheads on one side and barely escaping a tumble down the other side into the big cellar just excavated. With the most graceful abandon the driver, the horse, or whatever was responsible for the go-as-you-please run, flew past the telephone poles, found the street again, and then made for the north side. It was certainly a fine exhibition of fancy driving and was witnessed by the occupants of icecream parlor, hotel etc., on the street, who poured out to locate the noise.

BRANDT WAS DISCHARGED

Man Thought to Have Been Man Seen up North With Winchester Discharged by Judge Warner Today.

Christ Brandt was discharged by Judge Warner in municipal court this morning. This is the man who was arrested by Officer Hurley and who was thought to be the man who has been roaming about the woods north of here with a Winchester and a couple of revolvers. For a time it was thought that he was the man Smith who shot and killed a sheriff in Wisconsin, but this could hardly be possible. He is sort of an innocent creature. He was told to take his gun and hike. He did.

Piles Can Be Cured

By Internal Treatment
Without the Aid of Narcotics or the Knife
You who suffer with piles know that a glorious boon it would be to you to be absolutely and painlessly cured. You know from actual experience that salves, ointments and other local applications do not cure. You may get relief, but you keep on suffering. There is a cause for every human ill. Remove the cause and you cure the complaint. Piles have two distinct causes: First, congestion of the liver; second, constipation resulting from poor digestion.

Dr. Perrin's Pile Specific

The Internal Remedy
absolutely removes these causes by increasing the flow of digestive juices in the stomach, and relieving the congestion of the liver. It is a tonic for the entire bowel system and helps each particular member of this system to work easily and naturally.

You simply take a teaspoonful of this positive, internal remedy three times a day before each meal. It is pleasant to the taste and absolutely free from opium, cocaine or other narcotics. It is not a palliative or temporary remedy; it produces a positive, radical and lasting cure.

Dr. Perrin's Pile Specific is sold under an **Absolute Guarantee**

to cure any case of blood, bleeding, itching or internal piles, no matter how chronic or aggravated it may be. Out of over 10,000 cases there are only three on record where positive cure has not been made.

Dr. Perrin's Pile Specific is prepared of any reliable druggist under an absolute agreement to refund your money should you take two \$1.00 bottles of the remedy without receiving positive benefit.

TO NOTIFY ROOSEVELT

ARRANGEMENTS MADE FOR THE CEREMONY TO TAKE PLACE AT SAGAMORE HILL.

AFFAIR TO BE VERY SIMPLE

LESS THAN TWO HUNDRED PERSONS WILL PARTICIPATE IN THE EXERCISES.

Oyster Bay, L. I., July 25.—The arrangements have been made for the notification of Theodore Roosevelt for the Republican party. The ceremony will take place on Wednesday, July 27, at 12:30 p. m. Following custom, the notification will be at Mr. Roosevelt's home, Sagamore Hill.

The members of the notification committee appointed by the Chicago convention have been requested to assemble at the Waldorf-Astoria hotel in New York on Tuesday evening to make preliminary arrangements for the ceremony of the day following.

Speaker Joseph G. Cannon, chairman of the committee, will arrive in New York today. He will receive the members of the committee as they arrive there.

At 10:30 o'clock Wednesday morning the committee will board a special train at Long Island City for Oyster Bay, the special being scheduled to arrive here at 11:40 o'clock. At the station here the party, which will include not only members of the notification committee, but also invited guests, will be met by carriages and taken to Sagamore Hill.

Not Many Will Attend.
On account of the isolation of President Roosevelt's home, only about 125 persons will be in the party, including the members of the notification committee, and relatives and friends of President Roosevelt who reside in the vicinity of Sagamore Hill.

Among those present will be George B. Cortelyou, Governor Odell and Senator Platt of New York, Cornelius N. Bliss and other prominent men from all parts of the country. It is probable that no member of the president's cabinet will be present, as most of them are now on their vacations.

The ceremony of notification will be as simple and unostentatious as possible. The wide veranda almost surrounding the president's house will be draped with American flags. If the weather be fair, the committee and guests will be assembled on the spacious lawn, northeast of the house.

Speaker Cannon, who will make the speech of announcement for the committee, and President Roosevelt will speak from the veranda. Should the weather be inclement, the curtains of the veranda will be lowered and the ceremony will take place under cover.

After the address, a luncheon will be followed by an informal reception and those present will then return to New York.

EMULATED CARBARN BANDITS.

Four Chicago Youths Confess to Robbery and Murder.

Chicago, July 25.—Emulators of the exploits of the carbarn bandits, four youths arrested Saturday, confessed killing one man in a saloon holdup and robbing a score of others at different times. The murder was that of John Lane, stage carpenter of the Illinois theater, who was shot in an attempt to hold up Gustav Riegel's saloon on the morning of July 4. The proprietor also was shot. The prisoners are Peter Duffer, James and William Faraby and David Kelly. All declare they are less than twenty years old.

The robbery of a freight car of the Chicago, Milwaukee and St. Paul line at Fairfield, Ill., last week led to the arrest of the quartet. Besides the freight car robbery, the young bandits confessed to many robberies prior to July 4, most of which were saloons. The police believe the young men have not confessed to all their crimes and expect at least two other murders will be admitted by them.

WOUNDS FIVE ASSAILANTS.

Negro Strike Breaker Uses a Shotgun With Deadly Effect.

St. Joseph, Mo., July 25.—Abe Kruz, a negro strike breaker, was assaulted by pickets near the packing plant of Swift & Co. Sunday and fired into a crowd of assailants, wounding five. They are: Joe Weigel, shot in abdomen, may die; John Jetta, shot in body and legs; Joe Sanger, wounded in thigh and legs; August Newmeyer, shot in legs; Steve Finnigan, shot in legs.

Kruz was arrested and jailed.

TENDERS HIS RESIGNATION.

Cardinal Merry Del Val Would Retire From Secretaryship.

Rome, July 25.—The Tribuna says it is reported that Cardinal Merry del Val, the papal secretary of state, has tendered his resignation owing to the hostility of the cardinals, which indicates that they accuse him of rendering impossible an accord with France, and that the pope has refused to accept the resignation.

TROOPS HELD IN READINESS.

South Dakota Soldiers May Be Sent to Bonesteel.

Pierre, S. D., July 25.—Governor Herreid being out of the state, on the suggestion of Lieutenant Governor Snow, Adjutant General Conklin has ordered Company B of Sioux Falls to be in readiness to march to Springfield on their way to Bonesteel on orders.

Three Miners Drowned.

Butte, Mont., July 25.—At the Belmont mine Sunday three miners were drowned by the breaking of a bulkhead which held back the water of the Cambrus mine. The shaft is full of water and the bodies may not be recovered for several days.

FALCONIO MAY GO TO MANILA.

Rome, July 25.—The Giornale d'Italia says that it is likely that Monsignor Falconio, the apostolic delegate in the United States, will be transferred to Manila to replace the late Monsignor Guidi.

SHARP FIGHTING IN PROGRESS.

Russians Believe That a Battle Is Raging Near Yinkow.

St. Petersburg, July 25.—The reported appearance of Japanese cruisers and transports off Yinkow, coupled with foreign telegrams telling of heavy fighting in that region, bear out the intimation conveyed in a dispatch from Tachekiao that serious movements have been undertaken by the Japanese to gain this coveted base on the northwest coast.

Should it develop that the Japanese are now making a determined attack on Yinkow it would throw fresh light on the heavy land movements of the Japanese to the northwest within the past few days. The menacing attitude of the Japanese on General Keller's front may possibly have drawn north a considerable Russian force. Certainly it has disturbed public attention for the time being from Yinkow, but whether it has affected General Kuropatkin's estimate of the situation may be proven by the nature of the defense that will be made at Yinkow.

It seems to be fairly certain that sharp fighting is now in progress in that region, though General Sakharoff's report, received late last night, throws little light on the actual situation. This report states that the Japanese commenced to push forward from Kaichow on the morning of July 23 and forced the retirement of the Russian rear guard to Tachekiao, while a simultaneous Japanese advance began from the valley of the Sachi, on the east, apparently also directed against Yinkow by way of Tachekiao.

RESULT OF BRITISH PROTEST.

Russian Steamers Cannot Go Back Into the Black Sea.

Constantinople, July 25.—It is stated that as the result of the protests made by Sir Nicholas O'Connor, the British ambassador, Turkey has given the necessary orders to prevent any attempt to take the steamer Malacca or the Russian volunteer fleet steamers St. Petersburg and Smolensk through the Dardanelles into the Black sea.

Jealous Youth Commits Murder.

Greensburg, Pa., July 23.—Crazed by jealousy at the sight of his sweetheart dancing with Mike Madock, a married man, Steve Poppovitch, a boy of seventeen, murdered Madock at a wedding celebration in the Hungarian quarter. Poppovitch was arrested.

PARKER IS RETICENT

NEITHER ACCEPTS NOR DECLINES INVITATION TO SPEAK AT CHICAGO MEETING.

Esopus, N. Y., July 25.—Judge Alton B. Parker, Democratic candidate for president, did not accept nor did he decline an invitation presented to him Sunday to speak at a Democratic ratification meeting to be held in Chicago on Aug. 29, when William J. Bryan will be one of the speakers. A delegation representing Mayor Carter Harrison arrived at Esopus at 2:45 p. m. and was driven to Rosemount, where they found Judge Parker's family at dinner. Plates were placed for them and after the meal Judge Parker took his guests into the library, where the purpose of the visit was talked over at length. Judge Parker told Mr. E. M. Lahiff, who acted as spokesman, that to accept the invitation at this time might cause him some embarrassment and he did not feel like promising to attend until after the notification ceremonies had taken place. He did say, however, that if he accepted any invitations at all he would visit Chicago and that it would give him great pleasure to go if it were possible.

What gave Judge Parker still greater satisfaction than he derived from the invitation to go to Chicago was the assurance that differences between opposing factions of Illinois Democrats would be entirely settled and that the party in that state will present a solid front for the national ticket. It was stated in the conversation between Judge Parker and the Illinois delegation that the ill-feeling engendered as the result of contests between delegations seeking seats in the St. Louis convention will be eliminated absolutely. This information, coming from representatives of Mayor Harrison, proved reassuring to Judge Parker, inasmuch as it is taken to mean the healing over of the dispute between Mayor Harrison and John P. Hopkins, who in all probability will have charge of the campaign in Illinois. It is argued here that if Mayor Harrison says harmony, then warfare between the factions headed by Hopkins and Harrison is at an end.

William F. Sheehan called on Judge Parker to talk over the business which will come before the national committee. In relation to the chairmanship the statement was made that the situation is unchanged. It is the opinion here that Thomas Taggart of Indiana will be elected.

TRAGEDY IN A BARBER SHOP.

Unknown Customer Killed and a Barber Wounded.

New York, July 25.—As the result of a quarrel in the barber shop of Vincenzo Saitto, in Third avenue Sunday, an unknown customer was shot dead, and Saitto, with a bullet wound in his shoulder, was held for murder. Eye witnesses say that the customer, after a few words, drew a revolver and shot Saitto in the shoulder. Saitto attempted to disarm him and during the struggle two more shots were fired and the customer fell with a bullet in his groin. He died before the arrival of an ambulance.

The shooting caused a panic in the crowded shop and the police reserves were summoned to prevent further trouble.

FALCONIO MAY GO TO MANILA.

Rome, July 25.—The Giornale d'Italia says that it is likely that Monsignor Falconio, the apostolic delegate in the United States, will be transferred to Manila to replace the late Monsignor Guidi.

SYMPATHETIC STRIKE

UNION WORKMEN EMPLOYED BY PACKINGHOUSES WILL JOIN STRIKING BUTCHERS.

TEAMSTERS ALONE TO WORK

WHILE ANXIOUS TO GO OUT THEY ARE TRYING TO EFFECT SETTLEMENT OF STRIKE.

Chicago, July 25.—Determined on a fight to a finish to enforce the demands of the striking butchers, a sympathetic strike of all the union workmen employed in the meat packing industry throughout the country, with the exception of the teamsters, will be declared today.

Instead of joining in the sympathetic strike today, the teamsters will make another effort to bring about an adjustment of the controversy by arbitration. This decision was reached late last night at a meeting of the joint council of teamsters' unions throughout Chicago, who met to consider the indorsement of a decision reached Sunday afternoon by the packinghouse teamsters' union to quit work with the other allied unions. The decision of the stockyards teamsters was almost unanimous in favor of striking, but as it is necessary, according to the rules of the teamsters' union, for the joint council to sanction any strike movement, all the union teamsters in the employment of the packers will remain at work during the struggle or until the joint council gives their permission to a strike, should their efforts to settle the matter by conciliation today prove futile.

The situation makes the teamsters the most important body of men in the whole controversy. With these men on strike the union forces expect to prevent any nonunion men who take their places from leaving the yards, and scenes similar to those during the "Caravan days" of the 1902 strike will undoubtedly be the result if the strike is prolonged.

No Conferences Held.

No conferences were held Sunday either by the packers or the labor leaders, or jointly, in an effort to reach an adjustment of the controversy. Both sides rested Sunday, apparently waiting for today's developments.

Whether or not the packers would make any concessions to the demands of the labor leaders in order to prevent a general walkout of the trades at the stockyards would not be discussed by any of the packinghouse representatives, but from the preparations going on at the different plants during the day it was plainly evident that the packers intended to fight for their independence. All the labor leaders declared that they would await today's developments before considering further negotiations and that the packers would have to make a request for the resumption of peace negotiations, as the unions had no intention, at the present time, of doing so.

Preparations for the struggle which is expected to reach a climax today were being made at the different packing plants all Sunday and far into the night. Dozens of representatives of the packinghouses were scattered all over the country in search of men to fill the place of the strikers. Four train loads of new employees were taken to the yards before darkness set in, to join the nonunion men already established inside the plants.

Packers Erect Stockades.

Clerks were being initiated into new duties and employees who had been promoted from trades were returned to their former work to take the places of the regular workers who are expected to quit work today. Stockades have been erected at all the different plants to protect men whose work exposes them to danger from violence.

All through the stockyards there were not only evidences of preparations for a long and bitter struggle, but superintendents of the packing establishments, policemen and union leaders gave expression to anticipation of troublous times to come. Chief of Police O'Neill, who spent Sunday making plans for today, said:

"No one knows what will happen. The opinion is here for one of the greatest labor contests in the country and apparently there is no hope for averting it. The police will be able to handle the situation, however, without outside assistance, no matter what happens."

Settlement of the strike may be insisted upon by Mayor Carter H. Harrison. If developments show that the public interest absolutely demands it, the meantime arbitration through the good offices of the mayor is a remedy open to the opposing sides on request from either.

PECULIAR COMPLAINT MADE.

Alleged That Nonunion Men Broke Diphtheria Quarantine.

St. Paul, July 25.—The state board of health may be called into the South St. Paul butchers' strike.

It is claimed that four men now employed in Swift & Co.'s plant broke the diphtheria quarantine that was placed over their homes by the authorities of St. Paul Park, a village but a short distance from South St. Paul.

Complaint has already been made and it is claimed that the cases will be followed up. It is possible that the health board may take drastic measures, not only see to it that the men are not again employed in the plant, but that proper precautions are taken to prevent the spread of the disease. It is claimed that practically all of the 300 to 400 men in the plant have been exposed.

King's Illness Not Serious.

Copenhagen, July 25.—It now transpires that the illness of King Christian is not serious. He left Schwerin Sunday for Copenhagen.

AWAITING TEST OF STRENGTH.

No Hope for Peaceable Settlement of Cotton Mill Trouble.

Fall River, Mass., July 25.—With hope of a peaceful settlement abandoned, both sides in the pending industrial trouble here await with dogged determination the coming of the first test of strength today between a little group of manufacturers representing a combined capital of \$25,000,000 on one side and more than 25,000 cotton mill operatives on the other. The mill gates will be opened at the usual time today and the operatives will be given an opportunity to go to work under a wage reduction of 12½ per cent. If an insufficient number responds, the mills will be closed for an indefinite period. The strike leaders were of the opinion last night that there would not be enough operatives applying for work throughout the entire city to run even one mill, to say nothing of the eighty or more that are affected by the strike order. The manufacturers claim that the two thousand union men who voted to strike do not represent the sentiment of the great body of cotton mill employees.

The talk on the streets, however, indicates that the feeling against the manufacturers is quite as bitter among nonunion operatives as it is among those who are affiliated with the labor organizations.

SPECTATORS WOUNDED.

Shot by Attendants Who Fired at an Escaped Tiger and a Bull.

San Sebastian, Spain, July 25.—There was a sensational scene in the bullring here Sunday. At the moment of a projected fight between a bull and a tiger, both animals broke loose and stampeded the spectators. The attendants, in firing on the animals, struck and wounded several of those present, including the Marquis Pedal, the vice president of the senate, the Marquis Quijo, and a French tourist.

SALOONKEEPER MURDERED.

St. Louis Man Killed by Marie E. Servan of Illinois.

St. Louis, July 25.—Charles Bonnetti, a saloonkeeper, was shot and instantly killed while in his saloon Sunday by Marie Emil Servan of Pekin, Ill.

According to the police, Servan says that he came to St. Louis to kill Bonnetti, who he alleged was a member of a gang organized to give poison to women for the purpose of robbing them.

Two Killed and One Injured.

New Martinsville, W. Va., July 25.—Two men were killed and one seriously injured by the Pittsburgh excursion train at Hadden's Crossing, four miles south of this city, at night. They were asleep on the railroad tracks.

STEAMER SCANDIA RELEASED.

Hamburg-American Line Vessel Set Free by Russians.

Port Said, July 25.—The Hamburg-American line steamer Scandia has been released.

The Russian crew which manned her landed here and will proceed to Odessa by the next mail boat.

The Scandia is awaiting orders from her owners.

Berlin, July 25.—A dispatch from St. Petersburg says that Russia, in response to Germany's protest, sent a dispatch to Port Said Sunday ordering the immediate release of the Hamburg-American line steamer Scandia.

The official report of the seizure of the Scandia, received from the German consul at Suez, says that the Russian volunteer fleet steamer Smolensk encountered the vessel at the island of Perim, in the straits of Bab El Mandeb, and that she was seized, notwithstanding the fact that her captain showed from the manifest that there was no contraband of war on board. The vessel had no ammunition on board, but carried a general cargo and rails for Japan.

You who suffer with piles know what a glorious boon it would be to you to be absolutely and painlessly cured. You know from actual experience that salves, ointments and other local applications do not cure. You may get relief, but you keep on suffering. There is a cause for every human ill. Remove the cause and you cure the complaint. Piles have two distinct causes: First, congestion of the liver; second, constipation resulting from poor digestion.

Dr. Perrin's Pile Specific

The Internal Remedy
absolutely removes these causes by increasing the flow of digestive juices in the stomach, and relieving the congestion of the liver. It is a tonic for the entire bowel system and helps each particular member of this system to work easily and naturally. You simply take a teaspoonful of this positive, internal remedy three times a day before each meal. It is pleasant to the taste and absolutely free from opium, cocaine or other narcotics. It is not a palliative or temporary remedy; it produces a positive, radical and lasting cure.

Dr. Perrin's Pile Specific is sold under an **Absolute Guarantee**

to cure any case of blind, bleeding, itching or internal piles, no matter how chronic or aggravated it may be. Out of over 10,000 cases there are only three on record where a positive cure has not been made.

Dr. Perrin's Pile Specific can be procured of any reliable druggist under an irrevocable agreement to refund your money should you take two \$1.00 bottles of the remedy without receiving positive benefit.

SHARP FIGHTING IN PROGRESS.

Russians Believe That a Battle Is Raging Near Yinkow.

St. Petersburg, July 25.—The reported appearance of Japanese cruisers and transports off Yinkow, coupled with foreign telegrams telling of heavy fighting in that region, bear out the intimation conveyed in a dispatch from Tatschekiao that serious movements have been undertaken by the Japanese to gain this coveted base on the northwest coast.

Should it develop that the Japanese are now making a determined attack on Yinkow it would throw fresh light on the heavy land movements of the Japanese to the northwest within the past few days. The menacing attitude of the Japanese on General Keller's front may possibly have drawn north a considerable Russian force. Certainly it has disturbed public attention for the time being from Yinkow, but whether it has affected General Kuropatkin's estimate of the situation may be proven by the nature of the defense that will be made at Yinkow.

It seems to be fairly certain that sharp fighting is now in progress in that region, though General Sakharoff's report, received late last night, throws little light on the actual situation. This report states that the Japanese commenced to push forward from Kaichou on the morning of July 23 and forced the retirement of the Russian rear guard to Tatschekiao, while a simultaneous Japanese advance began from the valley of the Sachi, on the east, apparently also directed against Yinkow by way of Tatschekiao.
